Sub: Industrial training task assignment

Dear Mr. Anahd

    This is in reference to your 6 weeks industrial training at New Air Traffic Services, Airports Authority of India and subsequent allotment to CNS Automation Unit vide letter number AAI/PAL/EST-15/Indt. Trg. Approval Letters/2019-20/ dated 06.06.2019. As part of your industrial training, you are assigned the tasks listed below. Mr. Nitin Gupta (JEE) is assigned as your task supervisor for the duration of your summer training at Automation unit. You are also instructed to not to interact with any CNS systems directly or indirectly during your training period and follow all the instructions of your task supervisor.

Tasks assigned:

1. AOCC <> Automation Air Traffic Services Message capturing, parsing and storing the data in SQL database.
2. ASMGCS <> Automation Air Traffic Services Message capturing, parsing and storing the data in SQL database.

The task assigned are expected to be completed by 19ᵗʰ July 2019. Upon completion of the above task it is expected that you may submit detailed project report on your industrial training.

Best of luck

(Prateek Chanda)
Senior Manager (CNS)
Automation Delhi
